PRECAST – A California Winner

Solano County Government Center Parking Structure Fairfield, California

This 5-level structure provides public and employee parking for the new \$83M Solano County Government Center.

Clark Pacific provided architectural precast for the office buildings on the project and design-built the parking structure. A precast solution was chosen for its speed, cost-efficiency, and site cleanliness for this high-profile downtown project.

PRECASTER

Clark Pacific

PROJECT INFORMATION

Owner

Solano County
